INDEPENDENT AUDIT REPORT

To:

The Principal,
Government College of Engineering,
Salem.

Report on the Audit of the Project Financial Statements (PFS)

Opinion

We have audited the accompanying financial statements of the **Government College of Engineering, Salem, TEQIP-III Project** financed by the World Bank under **IDA Credit Number 5874-0 IN** which comprise of the Balance Sheet as at January 31, 2022, the Statement of Income and Expenditure for the period from 01.10.2021 to 31.01.2022, Statement of Receipt and Payment for the period from 01.10.2021 to 31.01.2022 and notes to these financial statements, including summary of significant accounting policies and other explanatory information (collectively referred to as "Project Financial Statements").

In our opinion, and to the best of our information and explanation given to us, the aforesaid Project Financial Statements give a true and fair view of the financial position of the Project as on January 31, 2022 Income and Expenditure Statement and Receipt and Payment Statement of the Project for the period ended on January 31, 2022.

PRINCIPAL
Govt. College of Engg.
SALEM-636 011.

Lo-af-2-11

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the project implementing agency in accordance with the ICAI's Code of Ethics for undertaking this assignment, and we have fulfilled our ethical responsibilities in accordance with ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Notes on accounts to the PFS describing the basis of accounting. The PFs prepared by the Project Implementing Agency to reflect the operations, resources and expenditures related to this Project.

Responsibilities of Management and those charged with Governance for the Project Financial Statements

The Management of the Project Implementing Agency is responsible for the preparation and fair presentation of the Project Financial Statements and for such internal control as management determines is necessary to enable the preparation of Project Financial Statements that are free from material misstatement, whether due to fraud or error.

The Management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

PRINCIPAL
Govt. College of Engg.
SALEM-636 011.

Auditor's Responsibilities for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Project Financial Statements are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards of Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard of Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the Project Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

PRINCIPAL
Govt. College of Engg.
SALEM-636 011.

Le-don

● Evaluate the overall presentation, structure and content of the Project Financial Statements, including the disclosures and whether these financial statements present the Project's operations and underlying transactions and events in a manner that achieves fair presentation in accordance with the financial reporting provisions described in Notes on Accounts to the Project *Financial Statements*

● Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

● provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Further to our opinion on the Project Financial Statements, we further report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

In our opinion, proper books of accounts have been kept by the implementing agency for Project purposes so far as appears from our examination of those books.

The Project Financial Statements dealt with by this report is in agreement with the books of accounts.

Amritha
20.12.20
PRINCIPAL
Govt. College of Engg.
SALEM-636 011.

he. Hines

The Project funds were utilized for the purposes for which they were provided.

Expenditures, including assets created under the Project, shown in the PFS are eligible for financing under the Project Financing Agreements.

Procurement has been carried out in line with the agreed procedures and the Project has an adequate internal financial control system and such controls were operating effectively as on January 31, 2022 and the Project complies with the provisions of the Financing Agreement and Project Agreement in all material aspects.

Dear Sir, Madam

This assertion letter is provided in connection with your audit of the financial statements of the Technical Education Quality Improvement Programme of Government of India (TEQIP – PHASE III), We acknowledge our responsibility for the fair presentation of the financial statements in accordance with the cash basis of accounting followed by the Project, and we confirm, to the best of our knowledge and belief, the following representations made to you during your audit:

- The project financial statements are free of material misstatements, including omissions.
- Project funds have been used for the purpose for which they were provided.
- Project expenditures are eligible for financing under the Credit agreement.
- There have been no irregularities involving management or employees who have a significant role in internal control or that could have a material effect on the project financial statements.

- We have made available to you books of accounts for bank transactions and supporting documentation relating to the project.
- The project has complied with the conditions of all relevant legal agreements, including the credit agreement, the Project Appraisal Document, the Minutes of Negotiations, the Borrower's Project Implementation Plan and Memorandum of Understanding.

GOVERNMENT COLLEGE OF ENGINEERING, SALEM
TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME OF
GOVERNMENT OF INDIA (TEQIP - PHASE III)
PERIOD FROM 01.10.2021 TO 31.01.2022

Significant Accounting Policies:

1. General:

- (a) The accounts are prepared under the historical cost convention following the cash system of accounting
- (b) Accounting policies not specially referred to are consistent and in consonance with generally accepted accounting principles.
- (c) Expenses and income to the extent paid and received respectively are accounted for on cash basis.

2. Investments:

Investments are valued at cost. However, there are no investments outstanding at the end of the year.

3. Fixed Assets:

Fixed assets are stated at Cost. No accounting is being done for Depreciation on any of Fixed Assets.

4. Grand Accounting:

Since the Direct Transfer of Fund to the beneficiary is done through the PFMS, the institutes are not getting any fund directly, therefore, the expenditure incurred as per the PFMS shall be considered as grant received and accounted for accordingly after reconciling the figures.
