SOCIAL DEVELOPE ACTIVITIES

Venue : Civil L1, GCE Salem – 11

Date : 17.03.2022

Number of Students Participated 100

In the year 2021-2022, our first weekly meet was started on 17/03/22. Etrics weekly meets were conducted on every Thursdays at 4.30 to 5.50pm. In every club meet, our goal is to improve the confidence level of the students and encourage them to participate in the events conducted for them. These events consist of info sharing, communication games, solo games, duo games and group activities. This kind of activity will enhance their self- confidence and their ability to work with a team. Prices will be distributed for the winners and the active participants which will encourage the other members to participate eagerly.

1	Xperia	Government College of Engineering, Salem	English Literary Association	2022	70

Xperia is an intra-college cultural conducted every year by English Literary Association. It provides a platform for students to showcase their literary talents and foster a vibrant literary community within our campus. The theme of this year's Xperia is "Colors of Life"

The chief guest of the event was Dr. J. Anbazhagan Vijay, Asst.Prof and Head, GCT, Coimbatore. Xperia featured a variety of offline events such as debate, shipwreck, monologue, extempore, quiz, stand-up comedy, and uno minuto. It also featured online events such as poetry writing, story writing and essay writing. These events helped to nurture and exhibit the talents of our students.

There were many enthusiastic participants who eagerly took part and won prizes in various events. The chief guest insisted that like different colors adding beauty to life, different emotions make a harmonious life.

ETRICS MEET (Talent Competitions)

Venue : Digital Library, GCE Salem – 11

Date : 27.10.2022

Number of Students Participated 50

Engineering education primarily revolves around imparting theoretical knowledge through lectures, textbook readings, and lab experiments. While this foundation is critical for understanding the principles and concepts, the application of this knowledge in real-world scenarios is what truly sets engineering students apart. These competitions provide an opportunity for students to test their knowledge, innovate, and gain valuable real-world experience.
